MORTISE LOCK / DEADBOLT LOCK / LATCH SET / PRIVACY SET

EXTRA SECURITY

Security is a most important element.
The mortise lock, long a commercial standard, is much more than a simple deadbolt. Baldwin's mortiselock is a work of the locksmith's art.
The internalworking parts are fitted to clocklike precision toensure easy and trouble-free operation.

The heavy duty steel case, armored forged brass frontand one-inch deadbolt extension provide ultimate strength and protection against intrusion. Two saw-proofhardened steel pins in the deadbolt, and a high grade steel security strike installed with three-inch steel screws further guard against forced entry. Two locking points are standard, both the latch and deadbolt lock providing added security and ease of use. An optional emergency release feature allows for quick exit in case of a fire or other emergency.

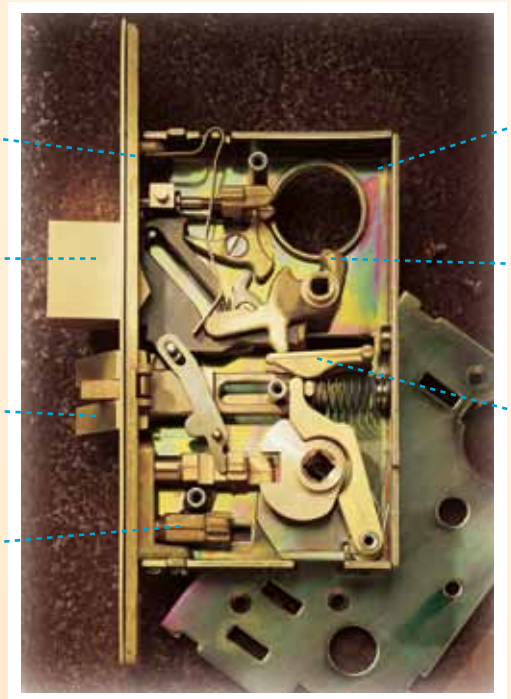
The beauty of security... from Baldwin

Heavy Duty Forged Brass Armored Front for Strength and Durability

1" Extension Deadbolt with 2 Hardened Steel Saw-Proof Inserts for Extra Security

Anti-Friction Latch for Smooth Operation

Forged Solid Brass Lock Stops for Locking Convenience



Heavy Duty Steel Case with Zinc Dichromate Finish to Resist Rust

Durable Forged Solid Brass Components

Emergency Release Feature

Optional
The interior knob or lever retracts both the latch and deadbolt simultaneously, providing quick exit in case of a fire or other emergency.

BALDWIN FINISHES

DISTRESSED FINISHES:

Not all hardware is available Distressed. The rugged tumbling process would damage some components. In cases where distressing is not possible, the equivalent non-distressed finish will be provided.

412 = 112

402 = 102

452 = 152 Antique Nickel with Matte lacquer

(151 has gloss lacquer)

Hardware NOT available distressed includes:

> All mortise locks, cylinders, latches, strikes

* HAND-RELIEVED FINISH VARIANCES:

(038, 050, 060, 112, 151, 412, 452)

Product finishes which are **HAND RELIEVED** may vary in luster, hue and appearance as a result of handcrafted variances in the final finishing step.
