Mr. WONG Wah, Dominic has served as an independent non-executive Director for more than nine years. Pursuant to Code A.4.3 of the Corporate Governance Code, (a) having served the Company for more than nine years could be relevant to the determination of an independent non-executive director's independence and (b) if an independent non-executive director has served more than nine years, his further appointment should be subject to a separate resolution to be approved by Shareholders.

The nomination committee and the Board have reviewed the annual written confirmation of independence of Mr. WONG Wah, Dominic and assessed his independence based on the independence criteria as set out in rule 3.13 of the Listing Rules. He does not have any other relationships with any directors, senior management, substantial shareholders or controlling shareholders of the Company. The nomination committee and the Board are also not aware of any circumstance that might influence Mr. WONG Wah, Dominic in exercising independent judgement and are satisfied that he has the required character, integrity, independence and experience to fulfil the role of an independent non-executive Director. On this basis, Mr. WONG Wah, Dominic is considered independent. The nomination committee nominated Mr. WONG Wah, Dominic to the Board for it to propose to the shareholders for re-election at the AGM. This appendix serves as an explanatory statement, as required by the Share Repurchase Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10% of the issued Shares as at the date of passing the Repurchase Resolution.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 600,600,000 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Resolution to repurchase a maximum of 60,060,000 Shares representing 10% of the issued Shares as at the Latest Practicable Date.

2. REASONS FOR REPURCHASE

Although the Directors have no present intention of repurchasing any Shares, the Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds entirely from the Company's available cash flow or working capital facilities which will be legally available for such purpose in accordance with its memorandum of association, the Articles of Association, the Companies Law of the Cayman Islands and any other applicable laws.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the consolidated audited financial statements contained in the Company's annual report for the year ended 31 March 2021 in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARES PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date and for the month of July 2021 up to the Latest Practicable Date were as follows:

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company under the Repurchase Mandate if such is approved by the Shareholders.

No core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

6. EFFECT OF TAKEOVERS CODE AND PUBLIC FLOAT

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As at the Latest Practicable Date, the following interests in the Shares were recorded in the register kept by the Company pursuant to Section 336(1) of the SFO:
