BATHROOM

Established in 1973, Agape aims at creating objects with innovative and aesthetics design in durable and purposeful materials. It helps imagine, interpret and furnish your bathroom in every detail, putting your bathroom in harmony with the other rooms of your home.

From washbasins to showers, from bathtubs to storage units, and from accessories to lighting, Agape offers a choice that is comprehensive and constantly evolving with new ideas. Let's take a plunge into the world of design.

 agape

Sen, in Japanese, means absolute linearity. The system on the right embodies the flowing of water in its design, which includes accessories like wall-mounted taps, a flexible hand shower, a shower column, surface-mounted taps and floor-mounted spouts etc.

Founded in 1817, the brand represents the first-class bathroom design with a long history. Duravit's simplicity and effectiveness have helped introduce revolutionary ideas and design innovations that have changed the appearance of bathrooms. The brand has always had the courage of its convictions which is one of the defining characteristics of the brand. The courage needed to combine practicality with individuality has resulted in many pioneering sanitary trends that have become standard features in today's bathrooms.

vola®

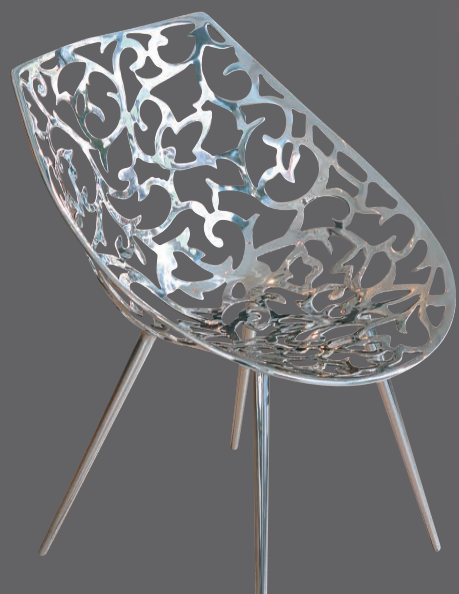

Even in today's world of ever-changing trends and fashion, Vola of Denmark retains its premier position of pure yet efficient design. For almost 25 years, Vola has maintained its market position as a unique design concept, created by a unique designer and architect, the late Arne Jacobsen. As an international niche brand, the Vola collection is built on a modular system comprising valves, handles, outlets, cover plates and accessories. Vola has a shape that represents the simplest form, making it extremely elegant and suitable for fitting into any architectural concept.

driade

STARCK

Working with talented designers who are able to anticipate the latest trends and new lines of research, Driade is an aesthetic workshop from Italy which proposes a philosophy of home-living based on the conviction that eclecticism, cultural collage, curiosity and surprise represent the true sense of our age. Through the years it has produced furniture and objects to suit every furnishing and lifestyle requirement. Today the Driade catalogue includes finished furniture, equipment, kitchens, complementary furnishings and objects of art and daily use.

Poliform

Associated with many prestigious designers and architects of international prominence, Poliform offers a widely diversified choice and includes systems and furnishing accessories for the whole house. The renowned designers include Marcel Wanders, Carlo Colombo, Vincent Van Duysen, Paolo Piva, Paola Navone, Studio Kairos, Robert Barbieri and Robert Lazzeroni. No wonder the brand continues as a leading player on the international furniture scene.

HARDWARE

 **BALDWIN**

A brand born in America, Baldwin strives constantly to achieve a rich combination of timeless craftsmanship and timely good taste. For more than 50 years, it has successfully aimed at setting new standards of excellence in its products for the home and workplace. Those who aspire to make the home much more than mere shelter and the office more than mere work space, face design challenges that are daunting.

The name Baldwin is their assurance of function and elegance, in which long lasting products with contemporary style can be found.

KITCHEN

Varenna

The Varenna brand belongs to Poliform (1970) which has been a benchmark in the design sector since 1996. It specializes in the manufacture of designer kitchens that offer an increasingly large client base top quality technical and aesthetic solutions. The collections feature many products with elevated, aesthetic and functional qualities. One of its masterpieces is the Matrix kitchen in two contrasting colors, black or white.

LIGHTING

Balancing between art and functionality, lamps from Penta are fusions of architectural and essential elements, providing perfect lighting together with timeless elegance.

Penta offers lighting that merges materials with different characteristics in its rich collection: blown glass, wood, metal, cold glass and, of course, fabrics. The result is lively lighting, re-creating space according to different needs.

PENTA

SANTA & COLE

Since 1985, the Santa & Cole brand from Spain has stood for industrial design, an art which consisted of focusing on everyday objects in order to seek a better use experience and lead us to reflect upon material culture. In 1999, Santa & Cole was awarded the Spanish National Design Award.

KUNDALINI

Kundalini's Asana-black is a floor lamp in lacquered fiberglass with an integrated seat fixed onto a chromed steel base. It comes with a diffuser in Murano triplex blown glass.
