This Announcement is made by E. Bon Holdings Limited (the ‘Company’, together with its subsidiaries, the ‘Group’) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the ‘Listing Rules’) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap 571 Laws of Hong Kong) (the ‘SFO’).

The Board of Directors of the Company (the ‘Board’) wishes to announce to the shareholders of the Company and potential investors that preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 March 2015 indicates that the Group would record a significant increase in profit for the year ended 31 March 2015 as compared to the year ended 31 March 2014 as a result of an increase in turnover due to residential property completion rates accelerating at a faster rate than previous year; a rise in profit due to effective control in operating expenses and also a reduction of purchase costs of the Group’s products due to a depreciation of euro currency against Hong Kong dollars.

The information contained in this Announcement is based only on the Board’s preliminary assessment after reviewing the unaudited consolidated management accounts of the Group for the year ended 31 March 2015, which are currently under review by the Company’s auditors; and the Company expects to announce its audited consolidated financial results for the year ended 31 March 2015 in June 2015. Therefore the actual financial results for the year ended 31 March 2015 may differ from the information set out in this Announcement.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in shares of the Company.
