ALA

DESIGN BY UMBERTO ASNAGO

chair

With high or low back,
with the base in solid ash wood.

ALMA

DESIGN BY PAMELA AMINE

writing desk

With the frame in solid and veneer in walnut canaletto wood, with inserts in saddle leather, available in various colour shades, and in metal painted in a bronze colour with natural effect.

The top is available in three versions: planar, with an upper section in saddle leather with an integrated LED light (light touch switch) or with two upper sections in saddle leather, of which the one on the back side has the LED light. A chest of drawers, in walnut canaletto wood with the front sides of the drawers in saddle leather, with a push to open system, or a saddle leather shelf with an optional removable drawer, are available to complete the product. Both can be added on the right or on the left of the desk.

BARON

DESIGN BY ROBERTO LAZZERONI

small armchair

With high or low back in solid walnut canaletto wood. The small armchair has a swivel seat and is available in two versions: with four legs, with inserts in metal painted in a bronze colour with natural effect, or with a 5 point revolving base with rotating castors.

BIGWIG

DESIGN BY ROBERTO LAZZERONI

rectangular tables

With the frame in solid walnut canaletto wood and veneer. The legs are covered with leather and the foot-caps are painted in a bronze colour with natural effect.

The top is available all in walnut canaletto or with inserts in the following versions: leather, bronze or grey tempered crystal glass or in marble as follows: gold calacatta, Portoro, zebrino or Velvet Brown.

BLADE

DESIGN BY UMBERTO ASNAGO

rectangular tables

Available in two versions:

- base in solid ash wood in anthracite grey finish and the top is shiny lacquered with a graduated shading in light grey, dark grey, orange, violet, citron and hazel;
- base and top in solid ash wood and veneer available in five finishes.

The spacers of the legs are in metal painted in a bronze colour.

DRIVE

DESIGN BY CARLO COLOMBO

sofas & armchair

With the frame in profiled steel and flexible coldfoamed polyurethane, covered with fibre. The base has feet in solid walnut canaletto wood with inserts painted in a bronze colour with natural effect.

FRAME

DESIGN BY CARLO COLOMBO

double bed

With high and low headboard. The headboard frame has the lateral profiles covered with saddle leather and the padding is in expanded polyurethane, covered with fibre. The bed frame, in plywood and polyurethane. Available for mattress in the sizes 180 and 200 cm in width.

FRAME

DESIGN BY CARLO COLOMBO

bedside cabinet & chest of drawers

Bedside cabinet with the frame in maple. The lateral profile is covered with saddle leather. It is available in two versions: with two completely removable drawers with internal parts in sand painted Fiddleback Sycamore, with recessed sliding runners, or with one drawer and one sliding shelf.

Tall chest of drawers with the frame in maple. The lateral profile is covered with saddle leather. It has six completely removable drawers with internal parts in sand painted Fiddleback Sycamore, with recessed handles and sliding runners, and one sliding shelf in saddle leather in the upper part.

FRAME

DESIGN BY CARLO COLOMBO

valet stand & mirror

Valet stand with the base in maple available in two finishes: dove grey and slate-grey, and lateral profile covered with saddle leather. The insert of the base is in marble available in Calacatta gold, Portoro, Zebrino or Velvet Brown. There is also one version with mirror and one with an extra shelf. To complete the product these accessories are available: metal hanging hooks and one round mirror with adjustable height and a tray in maple and metal painted in a bronze colour.

Leaning mirror against the wall with lateral profile in saddle leather.

GALET

DESIGN BY LUDOVICA + ROBERTO PALOMBA

low tables & stools

A series of low tables with the base covered with leather, in various colour shades, and support in metal painted in a bronze colour with natural effect.

A series of stools with the padding in flexible multi-density polyurethane, covered with fibre. The removable upholstery is in fabric or leather.

HYPNOS

DESIGN BY UMBERTO ASNAGO

double beds

With the headboard frame in curved multi-layer poplar wood, veneer and solid walnut canaletto wood. The headboard, that has in the middle a padding in expanded polyurethane covered with fibre, can be purchased separately, because it can be fixed to the wall.

MOGUL

DESIGN BY ROBERTO LAZZERONI

writing desk

With the frame in solid walnut canaletto wood and veneer. The top is available with the central insert always in leather and the lateral ones in leather or in bronze or grey tempered crystal glass. The lower part is covered with leather and has a work surface under the top, with a drawer on the right and one drawer with an internal one on the left, all completely removable with recessed sliding runners.

MOORE

DESIGN BY ROBERTO LAZZERONI

cabinets

With height 95 cm. The frame is in poplar plywood and the sides and edges are in solid walnut canaletto wood. The external part is available in leather or walnut canaletto wood, and the internal one is in maple veneered, while the top insert is available in marble in the following versions: gold calacatta, Portoro, zebrino and Velvet Brown.

PROGETTI SENSE

DESIGN BY CENTRO RICERCHE 2017

armchair

In solid beech wood, with polished or lacquered legs. The arms are in polished pau ferro. The padding of the seat and of the back is in non-deformable multi-density polyurethane and fibre.

RIPPLE

DESIGN BY LUDOVICA + ROBERTO PALOMBA

armchair

In solid ash wood available in five finishes.
The padding of the seat is in flexible multi-density polyurethane,
covered with fibre.

SAHARA

DESIGN BY ROSSELLA PUGLIATTI

wing chair & stool

Wing chair with the frame in profiled steel, elastic straps and plywood. The padding is in multi-density expanded polyurethane, covered with fibre, with inserts in walnut canaletto wood on the profiles. The base has inserts in metal painted in a champagne colour and a special mechanism inside the structure of the armchair allows a characteristic rocking movement, while the pouf has a 360° rotation.

For the stool a case in fabric or leather with two pockets is available, to be placed on the seat and fastened with a belt in walnut canaletto wood.

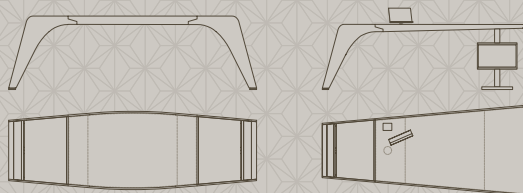

TENET

DESIGN BY MASSIMO SCOLARI

executive writing desk

With the frame in plywood and veneer in maple available in two finishes: dove grey and slate-grey. The top and the drawers are covered with saddle leather and the metal parts are painted in a bronze colour. It is available in two versions: with two counterposed heads or with one head and one chest of drawers, with one big drawer and an internal small one, to be positioned on the right or on the left.
